Choice #1- Read a book!	Read your library book or any book you have in your house. Check out this list of FIFTY amazing ways to read: FIFTY Amazing Ways to Read Challenge yourself to try as many of these ideas as possible!
Choice #2- PebbleGo and/or PebbleGo Next	PebbleGo is an excellent database for our youngest learners. Their articles are broken down by category and include related activities that they can print and complete. There are also several games related to each category. We were granted temporary access to PebbleGo <ul style="list-style-type: none">● Click "Sign In"● Username: engaged● Password: learning and PebbleGo Next for older learners, 3rd and 4th grade <ul style="list-style-type: none">● Click "Log In"● Username: engaged1● Password: learning1
Choice #3- Library Skills Worksheet	Below are library-skills based worksheets that you can print and complete. K-2 ABC Order Activity 3-4 Book Review
Choice #4- Maker Stations	Get creative and use materials that you already have at home to complete one or more of these really great STEM challenges! I'd love to see some photos of your creations! Maker Stations #1
Choice #5- Story Time from Space	This awesome website has videos of astronauts reading books while traveling through space! How cool is that?! Story Time from Space
